

School of Business

Pokhara University

National and International Collaborations

The school has benefited from the national and international collaborations of the Pokhara University and School of Business. In future, the center will continue to establish collaborations with the partners for mutual gain and synergistic benefits in sectors of entrepreneurship, research, innovation and social welfare. School of Business has been conducting different programs and activities aimed at enhancing the student's exposure to the real happenings and the practices of the industry and the market through guest lectures, seminars and workshops in unison with professionals and experts from different industries and business sectors. Besides, the School is also equally concerned about the positive and synergistic impact it can create to its students, industry, society and concerned stakeholders through collaboration, coordination or partnerships with various industries and associations. The national collaborations established by the school are as follows:
