.....  
.....

by the second party along with the under mentioned terms and conditions in connection with the faculty research grant award of Rs. ....

Name of Research Team	Institution/Program	Signature
Principal Investigator (PI)		
Co-Investigator I		
Co-Investigator II		
Research Scholar I		
Research Scholar II		

**Terms and conditions**

1. The Principal Investigator agrees to complete the research project in a period of Twelve months starting from April 2018.
2. All the terms and conditions mentioned in the RMC, SOB 'Guidelines on proposal evaluation and selection procedure for Faculty Research Grants' including amendments will be applicable for this research project.
3. The Principal Investigator states that She/he is a full time faculty member of the institution and has not taken any other full time faculty responsibility.
4. The Principal Investigator agrees to commit that she/he would be available in the institution for the whole period of the research.

5. The Principal Investigator agrees to take full responsibility and accountability for the accomplishment of the research work.
6. The research work will be based only on the stated institution. In case research work needs to be carried out in collaboration with other institution, prior approval will be obtained from RMC, SOB with justification. Request for approval of such collaboration is desired to be accompanied by a letter of approval from the collaborating institution.
7. The Principal Investigator states that the same proposal has not been funded from any other agencies including PURC. If found otherwise, the research project will be suspended and the installment received will be withdrawn.
8. The faculty research grant-award is non-transferable to other researcher.
9. The Principal Investigator agrees to submit three hard copies and an e-copy of revised proposal, detailed research methodology and tools used, draft report and final research report through the respected institution in stipulated format including abstract and one electronic version of final report to RMC, SOB.
10. Failure to continue the study or accomplishment of the research owing to researcher's/group's performance will generally lead to return of total amounts disbursed in this connection.
11. 'Unsatisfactory' progress may lead to discontinuation of the funding with a 15 day's prior notice by the RMC, SOB.
12. In case of disputes, the decision made by Research Committee, Research Management Cell (RMC) of SOB will be final.
13. The researcher agrees to maintain ethical standards of research.
14. RMC, SOB reserves the right to monitor the progress and make suggestions when needed.
15. The result of the research must be published in peer reviewed journal; otherwise the researcher will not be eligible to apply for any future grant from SOB, Pokhara University.

For RMC,

Principal Investigator
